01                    FINDINGS OF FACT AND STATEMENT OF REASONS FOR DETENTION

02            1.        Defendant was extradited from Canada to face these charges. He was not  
03 interviewed by Pretrial Services, and his background information is unknown or unverified.  
04 Defendant does not contest detention.

05            2.        Defendant poses a risk of nonappearance due to being a resident and citizen of  
06 Canada and not interviewed by Pretrial Services. He is viewed as a risk of danger due to  
07 unknown background information.

08            3.        There does not appear to be any condition or combination of conditions that will  
09 reasonably assure the defendant's appearance at future Court hearings while addressing the  
10 danger to other persons or the community.

11 It is therefore ORDERED:

- 12        1. Defendant shall be detained pending trial and committed to the custody of the Attorney  
13        General for confinement in a correction facility separate, to the extent practicable, from  
14        persons awaiting or serving sentences or being held in custody pending appeal;
- 15        2. Defendant shall be afforded reasonable opportunity for private consultation with  
16        counsel;
- 17        3. On order of the United States or on request of an attorney for the Government, the  
18        person in charge of the corrections facility in which defendant is confined shall deliver  
19        the defendant to a United States Marshal for the purpose of an appearance in connection  
20        with a court proceeding; and
- 21        4. The Clerk shall direct copies of this Order to counsel for the United States, to counsel  
22        for the defendant, to the United States Marshal, and to the United State Pretrial Services
